

I Want to Support

The button for Lynchburg's Community Dialogue on Race and Racism

When you wear this button, you are...

- **Helping to continue the important conversation that promotes better understanding of all races.**
- **Agreeing that racism is not acceptable and cannot be ignored in our community.**
- **Creating more opportunities for open discussion of difficult issues. This button is a symbol of our commitment to an important shared value.**
- **Acknowledging that all hearts are the same color. We are much more alike than we are different.**

Sponsorships start at \$100 and may be at any greater amount. This money will only fund the purchase of buttons and other materials or advertising associated with "All Hearts are the same Color". Volunteers are providing all administrative duties. Our initial goal is \$15,000 and we hope to get as many participants as possible.

Interested sponsors also may act as distributors of the buttons. Our goal is to start a dialogue and then to offer a button to that interested person. (We prefer the buttons not be just simply left for anyone to pick up.)

Thank you very much for your support.

Please wear your button and help us start more positive conversations about race and racism.

Please make your check payable to the following 501(c)3. Your amount is tax deductible.
